

WHAKAPUĀWAI FLOURISH

34th ILANZ Conference 2022

**CPD verification of
attendance reflection record**

5-6 October 2022

Our theme this year is 'Whakapuāwai, Flourish'. The theme is centred on helping in-house lawyers continue growing and adapting to meet emerging organisational, professional and personal challenges.

The programme promises to deliver valuable education to help you be the best in-house lawyer you can be and to improve your performance while you earn CPD hours.

This CPD verification and Reflection Record forms part of your CPD Plan and Record (CPDPR) and should be kept with all of your CPD materials. It is available to download from the ILANZ website if you are keeping your CPDPR electronically.

The CPD initiative is learner centred rather than prescriptive. Lawyers are responsible for identifying and fulfilling their own CPD requirements while reflecting on learnings and next steps.

You may find you satisfy a significant number of your 10 hours at the ILANZ conference or you might satisfy a lesser number based on your professional judgement of what is relevant for you and your learning needs.
